### **PUMC GARDEN GROUP ANNOUNCEMENTS**

This year our Sunflower Garden on the southside of the church building will take on a new look and become more "inclusive." We will still be planting sunflower seeds and sunflower plants in one section of the garden. However, we would like to have the majority of the garden to be filled with a wide variety of favorite plants chosen and brought in by you, the congregation! During the next week or so, surprise us with a little potted plant or a little 4 pack of a plant that you would like to see in the garden. A receiving station will be set up on the portico. We plan to plant the garden on the mornings of Friday, May 31st and Saturday, June 1st at 9:00am-11:30am.

Look for a sign up chart in the hallway on the bulletin board for helping with various garden tasks, watering or info about adopting a small area on the grounds to improve or maintain. We look forward to seeing a burst of colorful diversity. Contact info for Carla Vinson is posted on the bulletin board if you have any questions.
